

East Bay Professional Filmmakers Meet-up is an opportunity for professionals who are shooting digital, DSLR, film, editing, motion graphics, and sound in the East Bay to get together and discuss latest projects, trends, technology, and to meet others in Northern CA!

FEATURED SPEAKER: Bill Holshevnikoff

www.poweroflighting.com

Bill Holshevnikoff has been lighting and shooting award-winning broadcast, corporate and documentary programming for over 20 years. He has created stunning imagery and lighting effects for clients such as Ritz-Carlton, Marriott Resorts, Four Seasons, Mercedes-Benz, Infinity, Cisco Systems, and for television networks throughout the world.

Considered a leader in lighting education, Holshevnikoff's experience as a lighting educator includes the production of over a dozen highly successful lighting education videos, his own Power of Lighting Video Series, and over 100 featured articles in popular trade publications, such as American Cinematographer, DV and Video Systems Magazines.

NEXT MEET UP:

**June 17th @ 7pm hosted at Expression College for Digital Arts
6601 Shellmound Street • Emeryville, CA 94608**
